330° Rotatable Screen
Hydraulic Lifting System

Solar Powered LED Screen Trailer

Powered by solar energy, it delivers high performance with an uninterrupted power supply, free from geographical restrictions.

This eco-friendly energy solution ensures that the mobile LED trailer operates efficiently in various environments without relying on traditional power sources.

330° Rotatable Screen

The screen can be rotated 330°, and can be lifted 800mm. You can unlock the guide column buckle to enable the screen to rotate 330 degrees in both directions.

Hydraulic Lifting System, 800mm Lifting Trip

The imported hydraulic lifting system ensures safety and stability, offering a lifting range of up to 800mm. You can adjust the LED screen's height based on environmental needs to provide the audience with the optimal viewing angle.

Solar Powered

Powered by solar energy, it delivers high performance with an uninterrupted power supply, free from geographical restrictions.

The mobile LED trailer is suitable for traffic control, public performances, fashion shows, electric vehicle launches, and other public guidance needs.

Stylish Appearance and Dynamic Technology

The body features a frameless design with clean and sharp lines, reflecting a sense of technology and modernity. It is the best promotional medium for fashion trends and cutting-edge technology events or products.

High-Quality Outdoor LED Panel

The high-brightness, full-color outdoor LED display has excellent color reproduction capabilities.

High-definition images accurately display information. It is waterproof, moisture-proof, and highly reliable, making it suitable for long-term outdoor use.

High Quality With Global Standards,
CE EMC, RoHs, FCC Certificated.

Specification

Model	LC-ML30S LED Trailer
Trailer size	2382x1800x2074mm
Screen size	2240x1280mm
Pixel Pitch	P8/P10 Brightness >8000 Nits
Manual lifting	lifting range 800mm, screen can rotate 330 degrees
Breaking	Impact brake, electrical brake and hand brake
Module Size	320mm(W)x160mm(H)
Solar Panel	1000x2000mm,1PCS
Trailer Power	Battery/solar panel
Kinds of play	Usb flash disk play, remote display
Characteristic	Equipped with solar panels converters and 7500AH battery, can achieve 24/7 continuous powersupply for LED screen
Packing	Nude packing with fixed in container
Container	20GP
